Professional Summary

Senior Full Stack / Engineering Lead with 7+ years of experience delivering scalable SaaS systems worldwide. Led 8-person teams, architected Vue, NextJs, Python, SvelteKit + Go platforms. Passionate about clean architecture, team enablement, and building maintainable systems.

Core Skills

Frontend/UX: Angular, Vue, Svelte, React, Next.js, Tailwind

Backend: Go, Node.js, Python, PHP, PostgreSQL

DevOps: Docker, GitLab CI/CD, AWS, Firebase

AI/Other: OpenAI API, TensorFlow.js, Figma, Agile/Scrum

Experience

Pave Poland Sp. z.o.o - Team Lead & Senior Software Engineer, Poland, Warsaw (Remote) Nov 2024 - Present

Technologies: SvelteKit, TypeScript, Go, Python, Firebase, Flutter

- Led 8-engineer team delivering a CFO platform for European SMEs, reducing invoice processing time by 40% and improving reliability by 30%.
- Architected scalable systems with SvelteKit (frontend) and Go microservices (backend).
- Mentored developers and drove architectural decisions aligned with business goals.

Welabs Academy (WIT Subsidiary) - Technical Consultant, Indonesia Mar 2021 – Feb 2025

Delivered corporate and professional training programs across software development, IT infrastructure, and project management. Designed custom syllabi and guided hands-on workshops for enterprise clients, focusing on production readiness, real-world case studies, and team enablement.

- **Berijalan by Astra** - *Advanced Angular & FastAPI workshops (enterprise architecture & async microservices)*
- **PT TIKI** - *Agile Project Management using Jira (sprint automation & team enablement)*

- **Hartadinata Abadi** - *IT Security & Risk Management fundamentals (policy to DR)*

WIT Indonesia - Senior Software Engineer (Mar 2020–Nov 2024)

Delivered ERP systems (Artotel Group, Annathaya Spa) using Go + React. Built reusable UI components, SSR optimization, and clean-architecture APIs.

PT Piti Magek Cibaduyut - IT Staff (2018–2020)

Developed internal PHP systems, maintained POS infra, and supported operational upgrade

Project Highlights

- **Artotel Group (ERP Platform):** Built ERP system with **Go backend** and **Next.js frontend** using **WebSocket integration** for real-time operations.
- **Emina Microsite (AI Face Scanner):** Integrated **image recognition APIs** to enable adaptive UI and emotion-based personalization

Education

- **Master of Information Technology** - Telkom University (in progress)
- **Bachelor of Information Technology** - STMIK Mardira

Languages

- **English:** Advanced (C1)
- **Bahasa Indonesia:** Native
